It could be you! St Luke's Hospice is Searching for Missing Lottery **Winners**

Are you member of the St Luke's Lottery? If the answer is YES, then you may have won a credit crunch busting £1000!

There are cheques with a combined total of £1,250 currently waiting to be collected, including one for the top prize of £1,000. So, if you have moved and not told the Hospice Lottery team you may well be missing out.

Manager Julie Capeling said: "There are five unclaimed prizes, one being the top prize of £1,000 - which would be very handy, considering the current financial climate."

If you think it may be you, please contact Julie or one of her colleagues on 01752 401172.

The Hospice lottery helps to provide vital income for the Hospice
