### **Local business people in the loop for 12-hour Wheel-a-thon**

Luke's Hospice is delighted to invite members of the press and public to attend our big (wheel) fundraising extravaganza on Wednesday 29 June.

Five brave souls will be raising funds by having a wheel-y good time during 12 hours aboard Plymouth Hoe's huge Ferris wheel.

Stuck in a continuous loop from 8:00am to 8:00pm our adventurous members of the local business community will be in a spin with tedious tasks and undeniable dizziness.

Each of them has donated £1,000 to St Luke's to join the fun and drawing on the generosity of local companies we'll be keeping them fed and watered throughout the day. And yes, there will be comfort breaks.

St Luke's is indebted to the strength of spirit of our five fundraisers, Carol McGeary, of Astra Recruitment, Clint Jones, city centre manager, and David Williams, of Red RoK, as well as Heart FM presenters Matt Rogers and Caroline Cook.
