

LOTTERY COLLECTORS REQUIRED IN YOUR AREA

Do you enjoy communicating with people on a face-to-face basis and would thrive from raising money for your local Hospice? Do you have a few hours to spare and are retired, unemployed or maybe you would just like to earn some extra cash? Then, we have just the job for you!

St Luke's runs a weekly lottery to help fund the Hospice. We need Lottery Collectors in your area to help collect payments from playing members.

You can work flexible hours to suit your needs and at the same time be fulfilled knowing that you are helping your local Hospice.

As a Lottery Collector you could help raise money for St Luke's Hospice collecting from our members and in return we offer a good rate of commission.

This is a self-employed position and collectors will be expected to arrange their own national insurance and tax.

We are keen on to hear from anyone interested in becoming a Lottery Collector in this area.

For further details, contact Hayley Dann on 01752 492626 or email hayley.dann@stlukes-hospice.org.uk
