## **PRESS RELEASE**

### **Pavilions Pull Out All The Stops to 'Go Yellow' For St Luke's!**

Plymouth Pavilions will be pulling out all the stops on Friday 28<sup>th</sup> and Saturday 29<sup>th</sup> May to support St Luke's Hospice for its 'Go Yellow' Campaign.

Plymouth Pavilions, who chose St Luke's as their charity for 2010, are holding a number of yellow activities over the weekend in conjunction with the Horrible Science Live stage show. Aimed at youngsters, Horrible Science delves into the world of science in a way that will thrill and excite children of all ages!

To raise vital funds for St Luke's, they will be selling yellow ShakeAway Milkshakes from the Live Café and staff will be wearing yellow wigs, painting their faces yellow and wearing yellow t-shirts. Plymouth Pavilions will also donate the cost of your skate hire to St Luke's (£1.50) if you wear an item of yellow clothing when ice skating.

There will also be a yellow tuck shop in the arena during Horrible Science Live, selling a variety of sweets, cakes, fruit, ice cream and savoury snacks (all yellow of course!) with 50% of proceeds going to St Luke's.

Throughout June, which is National Hospice Awareness Month, supporters of St Luke's are encouraged to do something with a yellow theme, as yellow is the colour of the Hospice Movement. Community groups all over Plymouth, South West Devon and East Cornwall will be pulling on their best yellow clothes, jumping in baths of custard, and even turning a university yellow, in a bid to raise valuable funds for the Hospice.
