

PRESS RELEASE

Popular Sports Presenter Joins St Luke's on the Hoe

Popular sports presenter Natalie Cornah joined around 100 people of all ages in the St Luke's Hospice Midday Memory Mile.

The event, in its third year, took place on the Plymouth Hoe on Sunday, October 3rd at noon, and was led by St Luke's Hospice Chaplain Trevor Smith.

With the weather holding out for the event, Natalie joined Trevor in leading the walkers on and around the Hoe. As well as enjoying the beautiful views, the walkers were also treated to live entertainment from the Artisan String Quartet. Marjons Plymouth Raiders mascot Foxy was also on hand to cheer everyone on.

Events Fundraiser Amie Bull said: "The event was fantastic and everyone was able to take part while the sun was shining. It's a really emotional day and a time for the walkers to remember the loved ones they have lost."

Amie added: "On behalf of St Luke's I would like to say a big thank you to everyone who took part and helped us raise a fantastic £8,500. A big thank you also needs to go to all the volunteers and staff who gave up their time to help make the event happen and to Natalie Cornah who helped lead the event with Trevor, our Hospice Chaplain."
