Modbury Music Festival taking place on Saturday 25th July between 2pm and midnight at Modbury Recreation Field

The second ever Modbury Music Festival is set to take place on Saturday 25th July between 2pm and midnight at Modbury Recreation Field, again raising funds for St Luke's Hospice. Last year's music festival was a great success, raising almost £4,000 for the Hospice and it is hoped that this year's event will do even better.

The event is packed with talented acts to suit all tastes including 'The Days' who, following their recent tour and record launch, will be performing at around 3pm. Another well-known local band 'Out to Grass' will play later in the evening. Many other local musicians will be supporting the event, all giving their time freely.

This will be a fun day out for all the family, including a BBQ and ram roast, holistic therapy tasters, belly dancers, a bar, stalls and games – not forgetting the great music!

The music festival has been organised by Sue McCallum, a Community Fundraiser for St Luke's Hospice with a great deal of help from the people of Modbury. Sue said: " I am so excited about the festival and I am very grateful to everyone who has helped me to get it off the ground for the second year running. It's shaping up to be a fantastic event with something for everyone."

Tickets, priced £10 for adults and £2 for children, are on sale at Pickles of Modbury and on the gate. It is advisable to take along a rug to sit on.

For more information call Sue on: 0791 7233 350 or contact the Hospice on 01752 492626.
