

Fire Labels

See:- Furniture and Furnishings (Fire Safety) Regulations 1988/1989, 1993 and 2010

It is a legal requirement that we, as a charity, cannot sell or give away donations of Upholstered Furniture, Mattresses or Beds that do not have valid Fire labels. As a result please do not be offended when we ask if your items comply with this regulation - We cannot collect or accept items that do not comply. The labels will be stitched in place and will include the BS7177 code or hand written batch numbers.

Further details are available from your retailer.

UNACCEPTABLE LABELS ----->

These are examples of labels that do not on their own comply with the fire regulations. If your item only has these labels and not the relevant ones above then we are afraid that we will not be able to accept it.
