

## **NMC Revalidation**

This session will provide information to registered nurses and their line managers regarding the new (2016) revalidation process and how St Luke's will support you with this process.

It will include:

- Review of The NMC Code 2016, Priorities and Professional Standards
- The revalidation process and how it supports NMC registration
- The Registered Nurses' Responsibilities
- The Line Manager and Third Party Confirmers' responsibilities
- Collection, Collation and Presentation of Revalidation Evidence

The Session meets NMC Standards – 6.2, 22.2, 22.3
