This leaflet was made in October 2006 by Gemma Unwin and Professor Shoumitro Deb at the University of Birmingham with help from People First (Staffs). It can be downloaded from [www.LD-Medication.bham.ac.uk](http://www.LD-Medication.bham.ac.uk).

Some of the pictures come from the CHANGE Health Picture Bank, CHANGE, Units 19/20, Unity Business Centre, 26 Roundhay Road, Leeds, LS7 1AB and the clocks come from [www.nirch.maths.org](http://www.nirch.maths.org)
